

What I Won't Do

Hook [Caldwell]

Some people go around the world for love
But they may never find what they dream of
What you won't do, do for love
You tried everything but you don't give up
In my world only you
Make me do for love what I would not do

[Verse 1]

Every other day I get caught up in the past
We could've made it work but never thought it would last
Thinking bout the ups and downs, the way we fought and we laughed
Looking back like what if we walked down a different path
What if we just paused instead of moving too fast
What if I worked on my flaws instead of being an ass
What if I stayed in the walls instead of leaving the trap
Some 20 years passed I still think about that

Hook [Caldwell]

Some people go around the world for love
But they may never find what they dream of
What you won't do, do for love
You tried everything but you don't give up
In my world only you
Make me do for love what I would not do

[Verse 2]

Brain kicks on around 5 in the morning
Can't lay dormant – this shit is too important
Playlist sorted, my tracks are all in order
Put the headphones on but can't relax while I absorb it
The family wakes up, I'll be boxed in a corner
My own damn house, am I an inmate or the warden
One day I'll relax, like, when I can afford it
Imma pour it all out til you calling the corpsman

Nana's upset I don't make time for the lord and
Mama's a mess thinking I'm headed for the morgue and
Wife can't rest cause I didn't do my chores and
Kids are just Lonely
Thinking when they gonna hold me – when they gonna know me
I just keep going, I guess they'll know the old me
Singing "And I can't let go"
